# WINE TASTINGS AND VISITS TO ADEGA DO MESTRE DANIEL

With a visit to our winery in Vila Alva, you will be able to understand “in loco” the artisanal winemaking process in clay pots and all the culture and traditions behind this wine, a legacy that the Romans left in the region more than 2000 years ago.

It is a unique experience that allows you to revisit the past in a century-old cellar full of talhas (the oldest dates back to 1674), where old-fashioned wine is still produced.

The tastings aim to show our winery, wines, Alentejo gastronomy and some secrets of the production of talha wine.

\* Tastings are subject to booking and the existing stock.

## WINE TASTING - VINHOS DO TARECO

This is our entry-level range that represents the new talha wine. These are young wines that spend two and a half months in the talha in contact with the “mother”.

### INCLUDES:

- Tasting of 3 wines (1 White + 1 Claret + 1 Red)
- Snacks (bread, cheese, olives e chourizo)
- Guided visit to Adega do Mestre Daniel
- Introduction and video about the project

Duration: ±1h30m

Price: 15€/person

Note: Minimum 2 persons

## WINE TASTING - MESTRE DANIEL

This is our intermediate range that represents the traditional talha wine. These wines are the result of a careful selection and spend six months in the talha in contact with the “mother”.

### INCLUDES:

- Tasting of 2 wines (1 White + 1 Red)
- Snacks (bread, cheese, olives e chourizo)
- Guided visit to Adega do Mestre Daniel
- Introduction and video about the project

Duration: ±1h30m

Price: 17€/person

Note: Minimum 2 persons

## WINE TASTING - VINHOS DO TARECO & MESTRE DANIEL

This tasting allows to compare our wines with 2,5 months and 6 months in a talha. It is thus possible to easily understand the impact of time in the talha on the final result of the wine.

### INCLUDES:

- Tasting of 3 wines (1 White + 1 Claret + 1 Red)
- Tasting of 2 wines (1 White + 1 Red)
- Snacks (bread, cheese, olives e chourizo)
- Guided visit to Adega do Mestre Daniel / Introduction and video about the project
